

Checkpoint Classic Plus QX 1.6m system

The Checkpoint Plus system has been designed to fit the retail environments where a narrower aisle width is required, with a discreet slim-line look to the pedestal.

Catchpoint offer this system with installation from our specialist engineers and a 12 month warranty as standard

Technology:

Self-contained, RF 8.2MHz EAS system

Coverage and Capabilities:

Coverage up to 1.6m (5.25ft) between pedestals

Integrated audio and visual alarming to notify store personnel

Eco Electronics as standard reduction consumption costs

Great detection rates and a high noise tolerance reducing false alarms

Painless, easy installation
